PLEASE WRITE A BRIEF INTRODUCE

I am a stay at home mom to 2 beautiful children 1 entering 4th grade the other 1st. I've been nannying for the past 10 years and working with children for the past 18 years as I teach dance in Beverly. I've also been a substitute teacher in the past.

With most families about to embark on a school year of full virtual or a hybrid model, I'm looking to help. I can watch 1 to 2 children at my home and assist with schooling and staying active with getting outside and playing. I'm also willing to watch your children at your home if that is more comfortable with you, however I would have my 2 kids with me since they will be fully remote to begin. My children have always been around the other kids I nannies for or taught and they get along well and like to help.

I'm available Monday-Friday and would love to help your family!!
